Dedication

The class of 1974 dedicates this year's Pendulum to Sonja and Stephen Missal.

We cannot thank them enough for all they have done for us, their art, their music, and most of all their friendship. May they find as much happiness wherever they go as they brought here to us.

To My Son

I will not say to you, "This is the way
walk in it."
For I do not know your way, or where
the spirit may call you.
It may be to paths I have never trod or
ships on the sea leading to unimagined
lands afar;
Or haply to a star
or yet again
though dark and perilous places
racked with pain and full of fear.
Your road may lead you far from me or near,
I cannot guess or guide, but only stand aside.
Just this I say: "I know for every truth
there is a way for each to walk,
a right for each to choose,
a truth to use.
And though you wander far, your soul will
know that true path when
you find it.
Therefore go !
I will fear nothing for you day or night! I will
not grieve for you day or night
I will not grieve at all because your light
is called by some new name.
It matters not to call it star or sun
All is one.

Once downed a beer keg as his fountain

That's to dance to the music before you get lost.

There is a road we must walk and walking it is called life. Because we will walk it only once, then how important it is that we should walk it with some purpose that we can call our own.

You only go around once in life so you've got to grab for all the gusto you can get.

I would like to extend my deepest appreciation to the staff of the 1974 Pendulum, our friends and patrons and all of the people who were involved in the year 1973-74 at the White Mountain School.

The yearbook is a record of our experiences as a community throughout a school year. These experiences were valuable for each of us. We have set them down in the pages of this book to remind us of each other and of all that we have shared.
